“How to become a professional sportsperson AND gain the necessary academic qualifications at the same time?”

This is a question that many children, sports coaches, and parents have been asking.

With Gamechanger, India's first certified online schooling program for sports students, we provide the answer. And the roadmap to the student's dream of a successful career in sports.

The Gamechanger Schooling Program has been jointly developed by educationists and sports coaches to address the specific needs and demands of students pursuing sports.

Model of Education:

Our model of schooling works on a distribution of 60% of time towards specialized sports and 40% towards regular academic studies. We consider academics as a catalyst towards a strong sporting career of a child.

The Gamechanger Schooling Program is for Students from age 12 to 18 years, from Middle School to Secondary School and Senior Secondary School.

The Syllabus is curated specially for students looking at a future in sports. The courses are certified by NIOS, National Institute of Open Schooling, and is recognised in India and internationally.
