GAMECHANGER
SCHOOLING PROGRAM

Open Schooling for sports students

NCERT Syllabus (Grade 6-8) and
NIOS (Grade 9-12)

PROSE EDUCATION ACADEMY was established in the year 2017 with the vision of taking schooling to every playground in this country

“How to become a professional sportsperson and gain the necessary academic qualifications at the same time?”

Gamechanger, India’s first certified online schooling program for sports students, provides the answer. We set the roadmap to the student's dream of a successful career in sports.

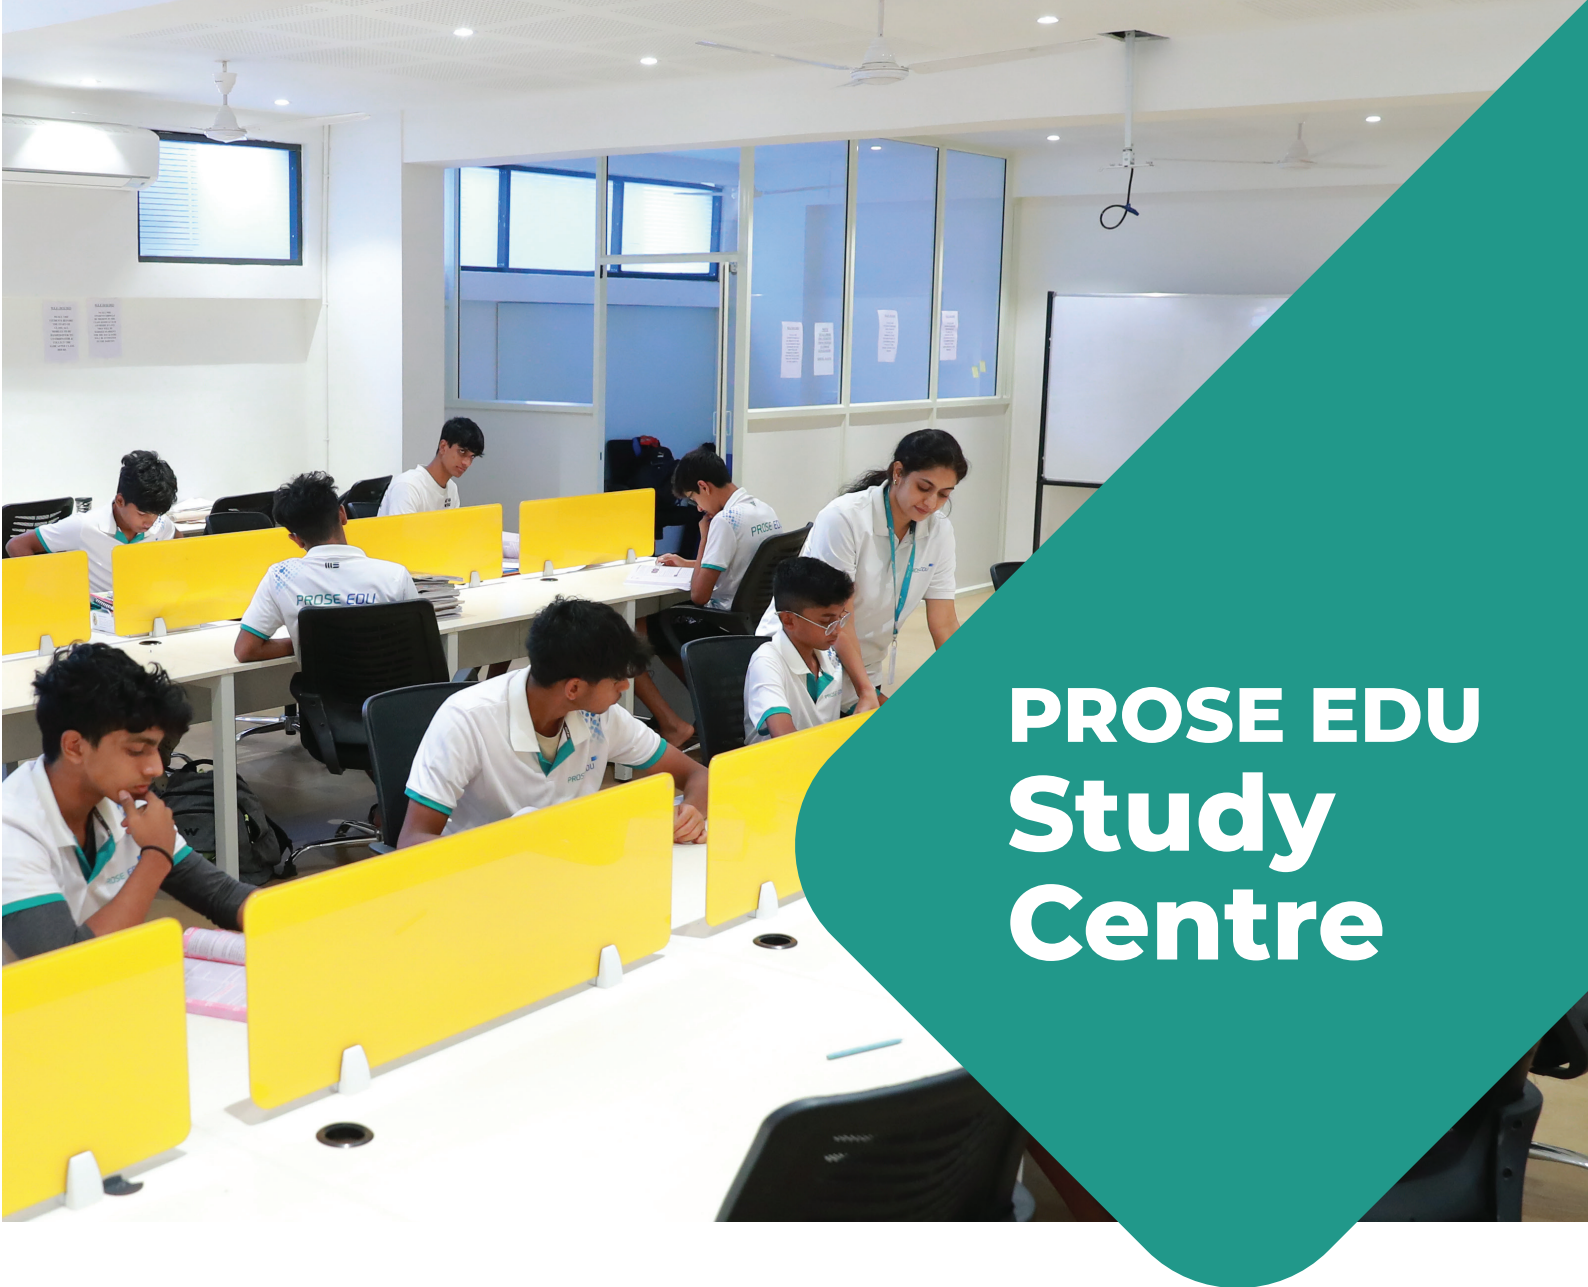

The Gamechanger Schooling Program has been jointly developed by educationists and sports coaches to address the specific needs and demands of students pursuing sports.

PROSE EDU Study Centre

PROSE EDU study centers are designed with individual workstations for each student to join online classes and do classes in a monitored environment. Every center also has a library corner with relevant books for the students to refer to.

The center also becomes a touch point for both students and parents to get counseling done, complete the admission process, take trial sessions, write tests and raise queries.

The center coordinator acts as a mentor for every student. We have study centers at the following locations

1. Behind Karnataka Institute of Cricket (KIOC), Bengaluru, Karnataka
2. Inside The Residences CSE, Bengaluru, Karnataka
3. Inside Just Cricket Academy, Bangalore, Karnataka
4. Inside Tarun Sardesai Golf Academy Zion Hills Golf County, Kolar, Karnataka
5. Inside OMTX ICWC CRICKET INSTITUTE Near Om Shanti Garden, Saphale, Maharashtra
6. Inside Football Club Madras, Nallan Pillai Petral Village, Mahabalipuram, Tamil Nādu

ABOUT THE PROGRAM

The program is designed for young aspiring sportspersons in the age group of 10 to 18 years offering NCERT Syllabus between 6th-8th grade and NIOS from 9th-12th grade. We are in alignment with NEP 2020.

Here the model is designed to have students join classes from a study center, home or any location where they have access to the internet and the environment is conducive to learning.

A team of well qualified teachers and on-ground support staff at the study center for day-to-day supervision of study hours and student progress.

The student does academics for 3 hours per day, for 5 days a week.

Given that every student has different tournament travel schedules it is imperative to monitor their attendance and learning process very closely.

PROGRAM HIGHLIGHTS

- Flipped and double-flipped classroom approach when required
- Classes are video recorded if the team foresees a requirement
- Students do internal periodic unit tests and quarterly exams
- The syllabus has been digitized and put on the cloud for easy access
- Parents are given periodic updates about the progress of their child

PROSE EDU is committed to providing solutions based on the student's requirements so that it is in their best interest to give their board exams to the best of their abilities, without compromising on their sports training.

SUBJECTS OFFERED

Grade 6-8

English, Mathematics, Science and Technology, Computer Science, Social Science

Optional Language – Hindi and Kannada

Rationale

- The first out is in class 8 should a student want it, or for any unforeseen reason
- This leaves open the option of going back to a regular school

Grades 9-10 (Secondary Program)-NIOS Board

Group A: English, Mathematics, Science, Social Science & Economics

Group B: English, Mathematics, Social Science, Business Studies & Economics

Vocational Subject: Basic Computers

Note: Students should be 14 years of age to get registered with the NIOS board

Grades 11-12 (Senior Secondary Program)-NIOS Board

Group A: English, Accountancy, Business Studies, Economics & Mass Communication

Group B: English, Physics, Chemistry, Biology & Mathematics

Vocational Subject: Computer Application

Note: Students should have a minimum of 2-year gap from grade 10 results to complete grade 12

Pointers:

- Our expert counsellors will help you choose the appropriate group
- We provide replacement subjects in case a student finds a subject very difficult

GOOD TO KNOW: FACTS ABOUT NIOS

- There are only 2 board exams – Class 10 and 12
- The exams take place in the month of April and October
- The student has the option of taking exams for all subjects in one go or splitting it up between April and October or taking the option of On Demand
- Some subjects have practical and TMA (teacher-marked assessments) which help toward better scoring in the final exams
- The student need not wait to finish class 10 exams to start studying the class 11 portions; however, all subjects in class 10 have to be cleared before giving the class 12 exams. A 2 year timeline is mandatory for any student to complete class12 program from the time of completion of class 10.
- Any Subject replacement would be appropriately suggested during counseling

TEACHING FACULTIES:

Experienced teachers with required training on

- i) Online teaching methodology
- ii) Classroom management techniques
- iii) Handling the educational needs of sports students which are very different from regular students

TESTIMONIALS

I have been with Prose Edu for two years and they have helped me throughout the year and are very supportive. They understand the hardships I go through. Teachers are also very accommodative and they help me catch up with the classes that I have missed during tournaments

Hashika Ramachandra

(National & International Swimmer-PROSE Student)

Hi my name is Savion Sabu , I'm studying in 10th grade. It was really tough to manage school and sports at the same time. Now I am with a school called Prose Edu. They focus only on sports children who want to pursue sports as their career.

So I would say students who are struggling to maintain balance between passion and academics should definitely think about Prose Edu, This decision can change your life

Savion Sabu

(National & International Motorcycle champion-PROSE Student)

I was associated with Prose Edu for 11th and 12th schooling. It's a school which helps athletes to pursue their sports as a career. I was one of the first students to pass out from Prose Edu. This is a key for future athletes and sportsmen who will come out of this country

Aryan Roopanand

(National Golf Champion-Alumnus of PROSE)

Prose Edu is a blessing for kids who are pursuing a full time sports career. The flexibility of timings of the online classes, helps us plan the sports training through the day. Teachers are super helpful to the kids. Overall my daughter is now able to balance both her full day tennis training followed by the online education with Prose Edu

Ajay Pudiykkada

(Parent of Prose Edu Student)

The idea of sports and education coming together from Prose Edu is fantastic, as back then we didn't have this concept. It was very hard going to school and coming back to sports practice. Prose Education is helping sports and education which is very important in India. Where education is happening at your convenient time which helps students to relax and focus on sports.

Asha Nanda Kumar

(Director and Head coach Ashpire Tennis Academy)

Would recommend this academy to anyone looking to pursue sports along with their academics.. Classes are suitably structured taking the students' sports practice sessions into consideration. An easy admission process and very polite and helpful staff. Keep up the good work.. Looking to be associated with Prose Edu for the next two years of high school as well!

Dr Juliet Aranha

(Parent of Prose Edu Student)

Excellent place for education. Lots of innovations happening in Blended and Technology driven education

Dr.C.N.Narayana

(Director of Education & Life Skills FC Madras)

The ideal place for a sportsperson to meet his educational needs !!!

Nasiruddin T
